Packaging

Solids - Bulk loads/shipments, Bulk bags, 25kg bags, 20kg bags

Liquids - 1000 litres, 200 litres, 20 litres

Fertpro Manufacturing Services

Material Handling:

Custom blended NPK fertilisers
Controlled release fertilisers
Water soluble fertilisers
Liquid fertilisers
Soil Amendments - Lime, Dolomite, Gypsum, Phosphate
Mineral Trace Elements -
N, P, K, S, C, Ca, Mg, Cu, Zn, Mn, Fe, B, Mo, Co, Si
Bulk commodities - NPKS
Organic certified products
Soil testing reports and recommendations

Toll Manufacturing Services:

Product blending
Bagging
Organic certified processor

Material Processing:

Screening - Reclaim - Drying

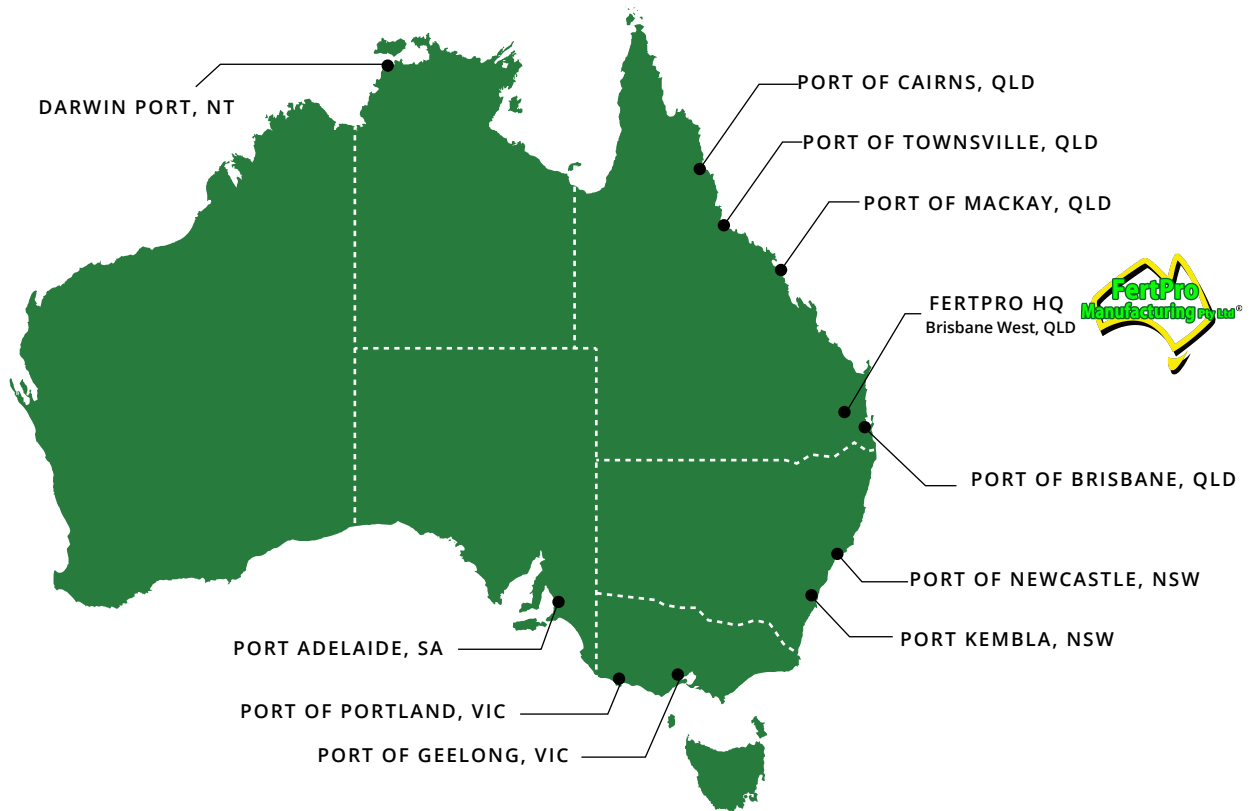

Logistics:

National and International
Road, Rail and Sea

***Leading industry supplier for
Agriculture, Horticulture,
Sports, Turf & Civil***

Service Areas

Admin and Dispatch:
Telephone: 07 3282 0761
Email: admin@fertpro.com.au

Opening hours:
Monday to Friday- 7:00am to 5:00pm
Saturday- 7:00am to 12 noon

**Product and Sales Enquiries
(National & International):**
Telephone: 07 3282 0761
Email: production@fertpro.com.au

Address:
Please send all written correspondence
and soil test samples to -
PO Box 4259, Raceview QLD 4305
All visits strictly by appointment only.

Every Farmer Needs a Fertpro
www.fertpro.com.au

Fertpro have our own custom range of Australian organic certified products. We also have the capability to manufacture your certified organic products.

We have systems and procedures in place for quality assurance the integrity of product throughout the manufacturing process.
