

ActeVator Compost Belt Spreader Blend

KEY POINTS

- Rebuilds tired and worn soils through remineralisation
- Builds critical levels of many trace elements
- Increases soil carbon levels for energy, water and nutrient holding capacity
- Increases the ability for plants & turf to resist pest and disease attack
- Greater biological activity in the soil promotes availability of both target and other tied-up nutrients in the soil

***Improved soil health reduces input costs through efficiency.**

ACTIVATED RESPONSE

Composted Chicken Manure successfully combined with a composted organic carbon and minerals. This blend has been delicately handled to ensure the full benefit of nutrition in the blend to enhance organic operations and their enhancement strong plants

TYPICAL ANALYSIS (w/w)

Nitrogen	0.98%	Zinc	230mg/kg
Phosphorus	1.41%	Manganese	477mg/kg
Potassium	6.66%	Iron	8863mg/kg
Sulphur	5.33%	Boron	22mg/kg
Carbon	12.20%	Copper	72mg/kg
Calcium	13.5%	Cobalt	6.7mg/kg
Magnesium	1.6%	Molybdenum	6mg/kg
		Silica	2507mg/kg

PRODUCT SPECIFICATIONS

Fine to medium granule 1-12m

QUANTITY SIZES (PER 1000KG)

Loose Bulk • 1t Bulk Bags

ActeVator Compost Belt Spreader Blend

APPLICATION GUIDE

Application rates should be determined by soil analysis and applied in conjunction with a balanced nutrition program. The following rates are generalized for irrigated and dry land cropping, for intense horticulture these rates can be increased. Contact a qualified Fertpro consultant for assistance.

Best applied broadcast by belt spreader.

Application rate: 500-1000kg/hectare

Compatibility: Check with a Fertpro qualified consultant prior to blending this product with other fertilisers.

Note: This blend can be used to uniquely formulate a fertiliser to suit a specific need in any crop.

DISCLAIMER

FertPro Manufacturing Pty Ltd provides this information & application document as a guide and reference point for fertiliser application qualified professionals. This document needs to be supported by the means of soil tests and or leaf tests for a qualified professional to decide on application rate.
